6. Your professional practice setting: (Check all that apply.)

☐ Private practice, solo ☐ Private practice, group ☐ Hospital based
☐ Medical school ☐ Veterans Administration ☐ Military
☐ Other ____

What percentage of your clinical practice is in the field of interventional pain management? ______%

7. List all practice experience in chronological order, starting with your current position.

Dates (from – to)	Position	Name of Practice Setting

II. DIPLOMATE CERTIFICATION REQUIREMENTS

a. At the time of certification by ABIPP, each physician shall be capable of performing independently a broad scope of the practice of interventional pain management and must:

1 Be certified by ABMS or AOA approved pain medicine specialty examination offered by the American Board of Anesthesiology, American Board of Physical Medicine and Rehabilitation, the American Board of Psychiatry and Neurology, or an equivalent Board of AOA

2. Successfully complete:

- Certification in Practice Management and Controlled Substance Management.
- ABIPP Part II Examination.

3. Fulfill unrestricted licensure requirements to practice medicine in the United States.

4. Have a professional standing satisfactory to ABIPP.

A. Basic Requirements

1. Licensure

It is mandatory to list a license to practice medicine that is valid, unrestricted, and current. Please enclose a copy of the primary license. If your license expires prior to examination, please send a copy after renewal. **Any changes in license status must be reported within 30 calendar days of the signed Board Order.**

State	License Number	Date of Original Issue	Expiration Date

2. Education

List in chronological order all undergraduate, medical school, ACGME residency training, and ACGME pain fellowship if applicable. NOTE: You may attach your curriculum vitae but you must also complete this section.

	Name of Institution	Dates	Degree
Undergraduate			
Medical School			
Residency			
Pain Fellowship or Grandfathered			

3. **Primary Board Certification**

NOTE: If you are not certified by a member board of the American Board of Medical Specialties (ABMS and AOA), *you do not meet the eligibility requirements*. You may apply for Competency Certification Examination (Click Here for Application)

Board(s)	**Certification**		**Recertification**

V. Declaration and Consent

I, ________________________, hereby apply for certification offered by ABIPP subject to its rules. I understand that the ABIPP may use information accrued in the certification process for statistical purposes and for evaluation of the certification program. I further understand that ABIPP will treat any patient information I submit confidentially. I understand that ABIPP reserves the right to verify any or all information on this application, and that if I provide any false or misleading information, or otherwise violate the rules governing the ABIPP certification, so doing may constitute grounds for rejection of my application, revocation of my certification, or other disciplinary action.

I understand and agree that in the consideration of my application, the ABIPP may review and assess my moral, ethical, and professional standing (including but not limited to any information regarding any disciplinary action related to the practice of medicine by any state licensing agency or any institution in which I have practiced or have applied to practice medicine).

I attest that I will notify ABIPP immediately should any of the following events occur: 1) change in my license status; 2) any past or future conviction related to the conduct of my practice or for any crime relating to medical practice, health, safety or patient welfare; or 3) being placed on probation by my licensing board or by any court-ordered probation.

I pledge myself to the highest ethical standards in the practice of interventional pain management.

I have used all reasonable diligence in preparing and completing this application. I have reviewed this completed application and to the best of my knowledge, the information contained herein and in the attached supporting documentation is true, correct, and complete.
